<i>Glossary</i>	xxix
<i>Introduction</i>	xxxv
1. Rationale of the Ethics of End-of-Life Care	xxxv
1.1. Moral Gaps in Health Care Ethics	xxxvii
1.2. Challenges of End-of-Life Care among the Senior People in India	xxxviii
1.2.1. Poor Public Health Care System	xxxviii
1.2.2. Poor Hospitalization	xxxviii
1.2.3. Lack of Infrastructure Facilities	xxxix
1.3. Issues and Challenges of End-of-Life Care for Senior People among Lotha Naga	xl
1.3.1. Migration	xl
1.3.2. Occupational Change	xl
1.3.3. Pursuit of Career Opportunities	xli
2. Methodology	xlii
3. Previous Research	xlvi
3.1. Elisabeth Kubler-Ross (1926-2004)	xlvi
3.2. Malhia Joshua (2004)	xlvi
3.3. Medowelu Wezah (2018)	xlvii
4. Purpose of the Study	xlviii

5. Limitation/Scope	xlix
6. Research Question	xlix
Chapter 1: Issue of the End-of-Life Care in India with Special Reference to North East India	1
Introduction	1
1. Concept of End-of-Life Care	2
2. Historical Development of Concept of End-of-Life	4
2.1. Changing Understanding of Death and Dying	4
2.2. Medicalization of End-of-Life	4
2.3. Hospice Movement	5
3. Overview of Health Care System in India	6
3.1. History of Western Healthcare System in India	6
3.1.1. Traditional Systems	6
3.1.2. Colonial Period	7
3.2. The Traditional Systems of Medicine in India: Ayurveda, Yoga and Naturopathy, Unani, Sidha, and Homeopathy (AYUSH)	9
3.2.1. Erratic Status of AYUSH Professional	10
3.2.2. Critique of AYUSH	11
3.2.2.1. Commercializing of Traditional Medicine	11
3.2.2.2. Brahmanization of Medicine	11
3.2.2.3. Possible Hazardous Ingredients in <i>Ayurveda</i> Treatment	12
3.3. Public Healthcare System in India	13
3.4. Public Health Care Policy	14
3.4.1. Bhore Committee	14
3.4.2. Alma ATA Declaration 1978	14
3.4.3. National Health Policy 1983	14
3.4.4. National Health Policy 2002	15
3.4.5. National Health Policy 2017	15
3.4.6. Ayushman Bharat-National Health Protection Mission 2018	17
3.5. Critique of the Public Healthcare System in India	17
3.5.1. Stagnation in Expansion of Public Hospitals	18
3.5.2. Unhealthy Involvement of PHC Professionals in Commercial Healthcare	18
3.5.3. Shift from Doctor-Patient to Consultant-Client Relationship	19
3.5.4. Lack of Proper Regulation for Private Healthcare	20

3.5.5. Non-integrated Indigenous Healthcare Practices	20
3.5.6. Domination of Private Healthcare Sector on Public Hospitals	21
3.5.6.1. Lack of Patronage to Public Hospitals	21
3.5.6.2. Dearth of Specialists in Public Hospitals	22
3.6. Private Healthcare System in India	22
3.6.1. Corporate Hospitals	23
3.6.2. Pharmaceutical Companies	24
3.6.2.1. Pharmaceutical Pricing	25
3.6.2.2. State Intervention and Market Failure	25
3.6.3. Health Insurance Companies	26
3.7. Critique of Private Healthcare System	26
3.7.1. Out-of-Pocket Expenditure	26
3.7.2. Commercialization of Health Services	27
4. The End-of-Life Care among Senior People in India	28
4.1. Palliative Care: Indian Perspective	29
4.1.1. Brief Historical Background of Palliative Care in India	30
4.1.2. Palliative Care Policy Development in India	31
4.2. Hospice Care	31
5. Issues of End-of-Life Care of the Senior People in India	32
5.1. Public Health Care and End-of-Life Care for Senior People	33
5.2. Common Disease-related Death of Senior People in India	33
5.3. Government Expenditure Towards Senior End-of-Life Care	34
5.4. Information Deficit in Primary Healthcare	34
5.5. Hospitalization: Clinical and Disease-specific Rather than Patient-Centric	35
5.6. Lack of End-of-Life Care Facilities for Senior People	36
5.7. Challenges of End-of-Life Care of Senior People in India	37
5.7.1. Institutional Care	37
5.7.2. Hospitalization	38
5.7.2.1. Inappropriate Treatment	38
5.7.2.2. Absence of Protocols in Medical Decision-Making	39
5.7.2.3. Chaotic Hospital Discharges	39
6. Public Health Care and Infectious Disease with Special Reference to COVID-19 in India: The Challenges of Senior People's Care	40
6.1. Lack of Preparedness of Public Health Care	40
6.2. COVID-19 Pandemic: Impact on the Senior People	41
6.2.1. Physical Distancing and Its Impact	41

6.2.2. Vulnerability and Negligence	42
6.2.3. Impact on Health	42
6.2.4. Mental and Psychological Impact	43
6.3. Challenges Faced by Public Health Care During COVID-19 Pandemic in Nagaland	43
6.3.1. Shortage of Health Care Workers	44
6.3.2. District Hospitals as Designated COVID-19 Hospital in Nagaland	44
7. Challenges Faced by Rural Health Care Sectors in North-East India	45
7.1. Shortfall in Health Centers and Human Power	45
7.2. Low Quality of Rural Health Care Services	46
7.3. Medical Tourism	46
7.4. Urban-Rural Gap in Health Care Infrastructures and Services	47
7.5. Special National Policy and Programme for Northeast	48
7.5.1. North Eastern Region Vision 2020: Negation of Health Care Development	48
7.5.2. From Look East-Policy to Act East-Policy: The Negligence of Public Healthcare Development in Northeast India	49
8. Overall Public Healthcare Situation in Nagaland	50
8.1. Lack of Proper Infrastructures and Modern Facilities	50
8.2. Shortage of Medical Professionals	51
8.3. Neglecting Rural Healthcare	51
9. Healthcare Scenario among the Lotha Naga	52
9.1. Irregularities of Healthcare Workers in their Designated Areas	52
9.2. Overdependence on Private Clinic and Nursing Homes	53
9.3. Referral to Urban Hospitals Even in Minor Case (Kohima, Dimapur and Guwahati)	54
9.4. Negligence of Rural Health Care Services	54
9.5. Lack of Proper Infrastructures and Services	55
9.6. Lack of Geriatric Care Services in Wokha District	55
Conclusion	56
Chapter 2: The Indigenous Family and Communitarian Care Among Lotha Naga in Nagaland	59
Introduction	59
1. Overview of Family Care towards Senior People in India	60
2. The Changing Pattern of Family Structure in India	61
2.1. Education	62
2.2. Occupation and Migration	62

3.	The Family Care among Lotha Naga	63
3.1.	The Traditional Lotha Naga Family Care System	63
3.1.1.	<i>Wopan</i> (Family)	63
3.1.2.	<i>Jipo</i> (Clan System)	64
3.1.3.	<i>Mhitso</i> : Kinship System	65
3.1.4.	<i>Opyimomoe osi Janüngomorü</i> : Family Care Regarding In-Laws	65
3.2.	Indigenous Lotha Naga Women as Care Givers	66
3.3.	<i>Khümoshumo Nzan</i> (Friendship Care)	67
4.	The Lotha Naga Indigenous Communitarian Care and Values	68
4.1.	<i>Eyanta</i> (Lotha Traditional Practices of Sharing)	68
4.2.	<i>Thenhyarünhyata</i> (Inclusivity)	69
4.3.	<i>Kyotarungto</i> (Extending Help to Individual and Community)	70
4.4.	<i>Yingaden</i> (Same Age Group Working Company)	71
5.	Indigenous Lotha Naga Communitarian Values and Ethos as Alternative Resources to Address the End-of-Life Care among Senior People	72
5.1.	<i>Janthechita osi Sochopenchota</i> : An Ethical Space for Visitation and Sharing of Hearts	72
5.2.	<i>Nijüpstijüp osi Tanüngta</i> : An Ethical Space for Caring and Nurturing of Senior People	73
5.3.	<i>Eyanta Tona Pitalonta</i> : An Ethical Space for Sharing	73
5.4.	<i>Khyotarungta osi Nzanchita</i> : A Space for Supportive Attitude towards Senior People	74
6.	Discontinuity and Continuity of Lotha Indigenous Family Care	75
7.	Indigenous Lotha Naga Understanding and Practices of Health Care	76
7.1.	Ethno-Medicine	77
7.2.	Magico-Religious	77
7.3.	Spirit-Based Health Care Practices	78
7.3.1.	<i>Tsüngrham</i> (Evil Spirit)	78
7.3.2.	<i>Echüi Mon</i> (Spirits of the Dead Ancestors)	79
7.3.3.	<i>Molantaro</i> (Multiple Spirits)	80
7.4.	<i>Ratssen</i> (Medicine Person)	81
7.5.	<i>Montsai</i> (Spirit Invokers)	82

7.6. <i>Eloe Eopk-mmi lo nzanchi</i> (Women Midwifery)	83
7.7. Lotha Folklore: The Story of Ranphan and Müntsülo: With Special Focus on the Healing of Montsulo Leprosy	83
8. Ethical Values Present in the Indigenous Lotha Communitarian Care System	84
8.1. Ethics of Sharing	84
8.2. Ethics of Respect	85
8.3. Friendship Ethics	86
8.4. Ethics of Communitarian Care	86
8.5. Ethics of Humility	87
8.6. Ethics of Integrity	87
9. Erosion of Lotha Indigenous Communitarian Value and Care for Senior People	88
9.1. Erosion of Care for Senior People	88
9.2. Socio-Economic Erosion	89
9.3. Political Erosion	90
9.4. Religious Erosion	91
10. Issues and Challenges of End-of-Life Care among Senior People in Lotha Naga	92
10.1. Issues End-of-Life Care among Senior People in Lotha Naga	92
10.1.1. Migration	92
10.1.2. Occupational Change	93
10.1.3. Pursuit of Education in Urban Setting	93
10.1.4. Economic Development	94
10.2. Challenges of End-of-Life Care among Senior People in Lotha Naga	94
10.2.1. Change in Life Styles	95
10.2.2. Challenges of Empty Nest Syndromes in Senior People among Lotha Naga	95
10.2.2.1. Physical Challenges	95
10.2.2.2. Psychological Changes	95
10.2.2.3. Social Impact	96
Conclusion	96

Chapter 3: Health Care Ethics and Moral-Gaps with Special Reference to End-of-Life Care	99
Introduction	99
1. Modes of Ethical Discourse in End-of-Life Care Ethics	100
1.1. Virtue Ethics in End-of-Life Care	100
1.1.1. Critique	101
1.1.1.1. Lack of Guidelines in Different Life Situation	101
1.1.1.2. Agent-Based Virtue	102
1.2. Deontological Ethics in End-of-life Care	103
1.2.1. Critique of Deontological Notion of End-of-Life Care	104
1.2.1.1. Rigid Morality	104
1.2.1.2. Conflicting Duties	104
1.2.1.3. Deficiency of Emotion	105
1.3. Teleological Ethics in End-of-Life Care	105
1.3.1. Critique of Utilitarian Approach in End-of-Life Care	107
2. Principles in End-of-Life Care	108
2.1. Principle of Nonmaleficence	108
2.2. The Principle of Beneficence	109
2.3. The Principle of Autonomy	110
2.4. Principle of Justice	111
2.5. Critique of Principles	112
2.5.1. Contractual Relationship	112
2.5.2. Medical Monoculture	112
2.5.3. Mono-Policy	113
2.5.4. Substantive Difference	113
3. Medico-Ethical Challenges of End-of-Life Care in India	114
3.1. Withdrawing and Withholding Interventions	114
3.2. Physician-Assisted Suicide	115
3.3. Challenges in Legalization of Passive Euthanasia	115
3.4. Lack of Cultural and Spiritual Sensitivity	116
4. Moral Gaps in Health Care Ethics	117
4.1. Concept of Moral Gaps	117
4.1.1. Lacuna in Moral Theory and Lived Experience	118
4.2. Moral Gaps in Health Care Ethics	118
4.2.1. Moral Gaps in Right-Based Ethics	119
4.2.2. Moral Gaps in Utilitarianian Ethics	119
4.2.3. Problems in Practicability	120
4.2.4. Moral Gaps in Decision Making	120

4.2.5. Atomised Individualism	121
4.2.6. Principle of Universalism	122
4.2.7. High Moral Demand on Individual	122
4.2.8. Reason and Rationality	123
4.2.9. Cultural Complex	123
5. Moral Gaps in Health Care Ethics in Conversion with Robin Gill	124
5.1. Biased Secular Version of Health Care	125
6. Christian Ethics in Addressing End-of-Life Care	126
6.1. Ethics of Care	126
6.1.1. Critique of the Ethics of Care	128
6.2. Compassion Ethics	128
6.3. Value of Life	130
6.4. Quality of Life	130
Conclusion	131
Chapter 4: The Concept of <i>Sükhying</i>: Towards the Construction of the Lotha Naga Indigenous Communitarian Health Care Ethics	133
Introduction	133
1. Re-Visiting the Indigenous Theological Methodologies	134
1.1. Indigenization and Contextualization	134
1.2. Method of Synthesis-Praxis	135
1.3. Land-Centered Method	135
1.4. Indigenous Postcolonial Theory	136
1.5. Indigenous Feminist/Womanist Methodology: A Critique of the Male-Centered Indigenous Theology	137
2. Indigenous Communitarian Concepts that Inform End-of-Life Care in the Context of North East India	139
2.1. Mizo Concept of <i>Tlawngaihna</i>	139
2.2. Ao Naga Concept of <i>Sobaliba</i>	141
2.3. Kuki Concept of <i>Khankho</i>	141
2.4. Khasi Concept of <i>Ka Hok</i>	142
3. Critique of Indigenous Communitarian Ethics	143
3.1. Critique of Patriarchy	143
4. Liberative Communitarian Method	144
5. The Understanding of the Concept of <i>Sükhying</i> among Lotha Naga	145
5.1. From <i>Sükhyingo</i> to <i>Omon Sükhying</i>	147
6. The Conceptual Framework for the Understanding of <i>Sükhying</i>	148
6.1. <i>Sükhying</i> : Potsow (Supreme Being)	148

6.1.1. Ronsyu (God of Agriculture)	149
6.1.2. <i>Sükhyingo</i> (The Unseen Spirit Present in Human and Animals)	149
6.1.3. <i>Jüpvüo</i> (the God of Water)	150
6.2. <i>Sükhying</i> : Sütsungrham (Evil Spirit or Demons)	150
6.3. <i>Sükhying</i> : Tathi na Sekacho osi thenhyacho (Destiny)	151
6.4. <i>Sükhying</i> : Rothakcho enhunga ete <i>Sükhying</i> (Past and Lived Experience)	151
6.5. <i>Sükhying</i> : Osen (Heredity)	152
6.6. <i>Sükhying</i> : Mmhalatero (Blessings)	152
6.7. <i>Sükhying</i> : Orensükhying (Circumstances and Situation)	152
6.8. <i>Sükhying</i> : Sari-Sapvü osi sari-nmvü (Taboo and Profanation)	153
6.9. <i>Sükhying</i> : Sukhying Ehan Eramoe (Special Possession by the Senior People)	154
6.10. <i>Sükhying</i> : Monkhum Yikrachi (Respecting Self and Fellow being)	155
6.11. <i>Sükhying</i> : Nkhyontoe osi Nochonori Nzanchi (Care for Needy and Sick)	155
7. Appropriating <i>Sükhying</i> : An Ethical Space for Communitarian Caring	156
7.1. <i>Sükhying</i> : Spirit-Based Care Ethics	156
7.2. <i>Sükhying</i> : Ethical Space for Respect for Senior People	157
7.3. <i>Sükhying</i> : Ethical Space for Compassion	158
7.4. <i>Sükhying</i> : An Ethical Space for Hospitality	159
8. Feminization of Care: Critique of Patriarchal Notion of Care	160
8.1. <i>Sükhying</i> as a Critique of Patriarchal Notion of Care	162
9. Juxtaposition or Bland of Lotha Naga Cultural Values with Christian Values	162
9.1. <i>Sükhying</i> as the Holy Spirit	162
Conclusion	164
Chapter 5: Towards an Indigenous Lotha Naga Communitarian Health Care Ethics in Addressing End-of-Life Care Among Lotha Naga Senior People	167
Introduction	167
1. Critique of Euro-American Health Care Ethics and the Rationale for an Indigenous Lotha Naga Communitarian Health Care Ethics	168
2. Theology of Seniority from the Perspective of Disability	171
3. Enumerating Discourses of Senior People Ethics in the Postmodern World	173

3.1.	Senior People as Multitude: Quest for Liberative Space	174
3.2.	Reclaiming Seniority as Counter Public Spheres	176
3.3.	Planetary Ethics: A Space for Alterity of Senior People	176
4.	Christian Theological and Ethical Re-Imagining of Senior Peoples	178
4.1.	Reclaiming Eucharist: The Broken Body of Christ for Senior People	178
4.2.	The Cross and End-of-life Care	180
4.3.	Resurrected Bodies and End-of-life Care	181
5.	Towards Appropriating the Lotha Naga Indigenous Theology and Ethics from Senior People Perspective	181
5.1.	Encountering the <i>Omon Sükhyingo</i> : The Lotha Naga Deity with Disability	182
5.2.	Lotha Naga Understanding of the Divine Being (<i>Sükhying</i>)	182
5.2.1.	Inclusive Potsow (God): Neutral and Beyond Gender	183
5.3.	Appropriating the Understanding of the Divine Being (<i>Omon Sükhyingo</i>): Claiming the Space of the Vulnerable	184
5.3.1.	<i>Omon Sükhyingo</i> : Affirmation of Vulnerable Community	184
5.3.2.	<i>Omon Sükhying na Thenhyacho</i> : Life-Affirming Communitarian Values for Senior People	185
5.4.	Re-Visiting <i>Mijen</i> : Praxiological Approach for Home-Based Community Dining Service for Senior People	186
6.	Lotha Naga Communitarian Affirmative Values for Public Health Care System	187
6.1.	<i>Eyanta osi Pitalonta</i> : Communitarian Sharing of Resources in Public Healthcare	187
6.2.	<i>Kyotarungta osi Nzanchita</i> : Solidarity-based Public Healthcare Approach	187
6.3.	<i>Janthechita</i> : Home-Visitation Based Public Healthcare Approach	188
6.4.	<i>Nijupsujup osi Tanungta</i> : Nurturing and Caring Based Public Healthcare	188
	Conclusion	189
	<i>Overall Conclusion</i>	193
	<i>Bibliography</i>	201
